

UNRAAVEL the “_____”
(Sung to the tune of the “Brady Bunch” tune)

Draw a line, under the title
Take your best guess what it’s all about
Put a number next to each paragraph
To help you find the answer

Take some time, and read the questions
Circle all, the very important words
Write down what each word means
And now its time to read

Chorus UNRAAVEL (ing)
UNRAAVEL (ing)
This is how we UNRAAVEL the “_____”

Cross out all the wrong answers
Pick the best of all that remain
Paragraph numbers will prove
you know the answers
Now double check your work

(Chorus)
